MERRY CHRISTMAS

*Happy New Year*

*From the Prez:*

*From our house to your house we wish everyone a blessed holiday season, good health and safe travels. As we count our blessings please keep those in harms way in your prayers. We are looking forward to another fun WIT year from the NWRR to Grand National and Winnebago's 50<sup>th</sup> anniversary. I hear there is a strong contingent of Washingtonians attending. Beanbag baseball team here we come! Maybe we can defend our 2005 WA State National Championship. Everyone keep practicing. It is heavy competition back there. Tom Murkowski will be the team captain. If you have not made up your mind about attending GNR you better not procrastinate too long as I hear the reservations are well over 50% already and the GN magazine article has not even come out yet.*

*We are concerned with all the reports on National TV about the flooding in Western WA and particularly the Chehalis River. Columbia River Rollers have already offered assistance to Uhlmann RV and I trust other chapters will follow this lead. There should be all kinds of ways to help out.*

*Till later, have a wonderful holiday season.*

*Tom & Fran*
